

OH BOY!

THE "Illustrated Chronicle" "Oh, Boy!" outing actually exceeded the great expectations of the happy crowd aboard our special train to London. "A huge success," said readers. "When are you going to run another?" All thoroughly enjoyed being present at the transmission of the A.B.C. Television show at Hackney Empire. So great was the enthusiasm that the stars were even a little shy of meeting their fans. However, they did mingle—as you see from our pictures, and we brought Gerry Dorsey back to Leicester with us. It was truly a day to remember!

Above (left), the Dallas Boys meet Leicester fans. With Cherry Wainwright are some keen Leicester auto-graph hunters. Marly Wilde is talking to Bettu Lewin. Ann Derry and Jean Orlay, all from Leicester.

Gerry Dorsey came back to Leicester on our special train. Here's a guard's van picture, with fans.
